

IMTOKEN – how to add Smchain

1. After installed imtoken, Click on the "+" button in assets page.

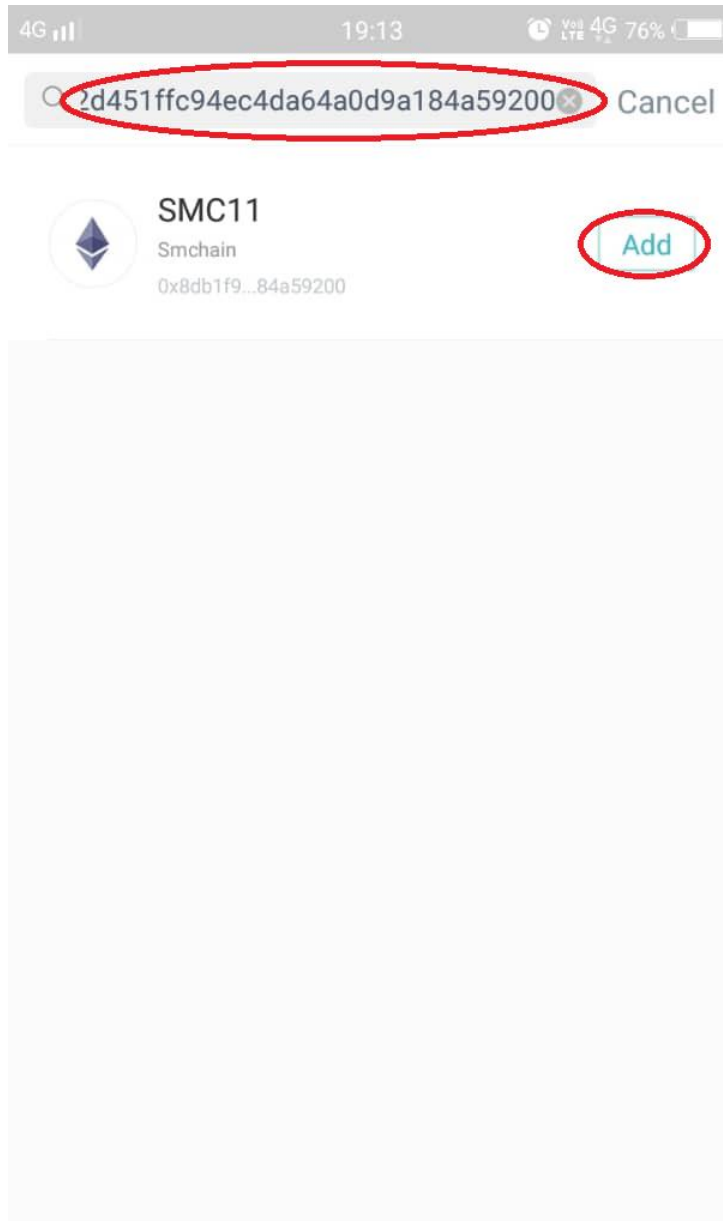

2. Click on the search symbol button

3. enter SMC contract address at the top of the input box

SMC contract address: 0x8db1f9df52d451ffc94ec4da64a0d9a184a59200

When Smchain appears, press "Add" button

[Submit Your Token to imToken](#)

4. Return to assets page, refresh it, you will see SMC.
